

**APPROVALS LIST- INE**

**JUNE 2005**

The following are funds approved up to the last day of the month. Please note that the sums relate to approvals, not payments. While finance may be approved, for a business investment for example, it does not guarantee that the developments will go ahead. The approval simply shows that funds have been made available by LEC/HIE, but they will not be released until evidence is received that the project or activity has gone ahead.
