MONTHLY APPROVALS REPORT October 2004

The following are funds approved in the month ended October 2004. Please note that the sums referred to relate to approvals not payments. While finance may be approved for a business investment, for example, it does not guarantee that the project will go ahead. The approval simply shows that Lochaber Enterprise funds have been made available, but they will not be released until evidence has been received that the activity or project has gone ahead.
