**MONTHLY APPROVALS REPORT**  
**JUNE 2001**

The following are funds approved in the month ended June 2001. Please note that the sums referred to relate to approvals not payments. While finance may be approved for a business investment, for example, it does not guarantee that the project will go ahead. The approval simply shows that Lochaber Enterprise funds have been made available, but they will not be released until evidence has been received that the activity or project has gone ahead.

**FINANCE FOR BUSINESS**

Financial assistance, normally by way of a grant, to stimulate new business projects or expansions. Note that the jobs created and retained figure is an agreed forecast between Lochaber Enterprise and the applicant of the jobs that are likely to be created and / or saved as a result of Lochaber Enterprise investment.
