Include all data center regions to provide the best experience for participants joining from all regions. Opting out of data center regions may limit CRC, Dial-in, Call Me, and Invite by Phone options for participants joining from those regions.

Waiting room

When participants join a meeting, place them in a waiting room and require the host to admit them individually. Enabling the waiting room automatically disables the setting for allowing participants to join before host. ⓘ

Microsoft PowerPoint interface showing a presentation slide titled "Going Live with social media". The slide features a vibrant, abstract background with swirling colors (yellow, orange, red, blue) and a grid pattern. The text "Going Live" is prominently displayed in the center, with "with social media" to its right. The bottom of the slide contains logos for Interreg North Sea Region CUPIDO, University of St Andrews (FOUNDED 1413), HIE Highlands and Islands Enterprise, and XPONORTH.

The PowerPoint ribbon includes tabs for File, Home, Insert, Layout, Design, Transitions, Animations, Slide Show, Review, View, and Help. The status bar at the bottom of the PowerPoint window shows "Live" and "Sweet".

On the left side of the PowerPoint window, a vertical list of slide thumbnails is visible, numbered 1 through 8. The current slide is the 4th one.

At the bottom left of the PowerPoint window, there is a small icon of a microphone and the text "OVW".
