Taking your views into account

We want to hear what you think before we submit a planning application. Your feedback will help us shape the final proposals.

Here's how you can share your thoughts:

- Fill out a feedback form at this event
- Email us at planning@turnberryuk.com
- Write to: Turnberry, 41–43 Maddox St, London W1S 2PD

If you can, please send us your comments by **5pm on Monday 25 August 2025**. That way we can take them into account and feedback at our next event on **25 September 2025**.

We'll gather all comments when finalising the planning application for the development proposals. A pre-application consultation report will form part of the submission.
